Jean-Marc Léveillé Candidate for Mayor under the Banner of Longueuil Citoyen

Longueuil, May 19, 2021 — Seasoned manager, accomplished entrepreneur and recognized philanthropist, Jean-Marc Léveillé was born on Charron Street in the LeMoynes District and has lived in Longueuil for over 30 years. He runs for Mayor of Longueuil to put economic development at the service of the quality of life of citizens of all neighborhoods.

"Longueuil is my home and I am proud to be a Longueuillois! This is the city where today all dreams are possible. But we are at a crossroads. The challenge of the next election campaign will therefore be to position Longueuil so that the economic recovery is at the service of the quality of life of the citizens of all neighborhoods, with a coherent development that highlights our history and resembles us. The recovery will also have to be cultural, green and sporty in order to offer all the citizens of Longueuil opportunities to fully develop in their living environment." - Jean-Marc Léveillé

To get there, Longueuil will have to meet several challenges:

"It is time to restore harmony, to the City as well as to the Agglomeration, and to offer an attractive living environment for all families. In terms of investments and innovations, Longueuil is not at all assuming its place as the 5th largest city and 3rd agglomeration in Quebec. Now is the time for that to change! I'm going into politics to deliver the goods on issues, whether it be the cultural complex, the financing of social housing, the environment and climate change, public transit and infrastructure investments. **I say what I do, and I do what I say.** This is who I am." - Jean-Marc Léveillé

Listening and involvement:

"If you love Longueuil as much as I do, I want to know your vision for our city, I want to make you want to get involved as I do, because we must never forget that Longueuil first and foremost belongs to its citizens." - Jean-Marc Léveillé

Jean-Marc Léveillé in brief:

Founder of several successful organizations, including *Dotemtex Recherche de cadres*, *Elitis Pharma Inc.*, *PROSYGMA*, *Services professionnels en maintenance et fiabilité* and cofounder of the *Services Animaliers de la Rive-Sud* (Proanima). Chairman and CEO of the Orchestre symphonique de Longueuil (OSDL) until May 25, 2021 and President of Anima-Québec, he was also President of the organizing committee for funding the organization Carrefour pour Elle.

Longueuil Citoyen, Équipe Jean-Marc Léveillé will present candidates in all districts of the City. Nomination announcements will begin in the coming weeks.
